CANCER LEAGUE

Dear Friends:

First, please allow me to extend my undying appreciation to those who have sponsored our annual fundraising event for the past 37 years. Your support has been, and continues to be, critical to our American Cancer Society's fight against cancer.

Now, allow me to extend my sincere invitation to our League's 38th gala, which will take place on <u>Saturday, June 1, 2013</u> at last year's exciting venue, the *Centre at Sycamore Plaza* in Lakewood, California. This year will be our most special event yet, as we will be celebrating an amazing milestone: **the 100th Anniversary of the American Cancer Society**. We will celebrate the life-saving work that this organization has done in our local community and the world.

I am also very proud and excited to announce this year's gala honorees: Joan and John Knight—Eunice Knight Saunders Foundation; Sandy and Daryl Phillips— Phillips Steel Company, and Frani and Dan Ridder, one of the founding couples of

the Long Beach Cancer League. I cannot think of a more deserving group to honor this very special year!

We have selected *Thank Goodness it's Sofia (TGB)* as our preferred catering company which, I'm confident, will impress us once again with their succulent cuisine. Last year's event co-chairs have accepted to serve as our 2013 gala co-chairs... I can't wait to see the wonderful surprises and entertainment that awaits all who will attend.

Through our annual gala, recognized as one of our area's premier events, we have proudly raised over \$11.1 million dollars in support of our fight against cancer. I am also very proud to report that our 2012 gala surpassed its goal and raised an impressive \$223,484 net, to support the American Cancer Society's life-saving research, community services and programs.

I encourage you to renew your sponsorship and invite you to pledge your support of our 2013 gala event, today, by completing the contribution form included in this brochure. Thank you for helping us to continue pursuing the dream of a world without cancer...a world with more birthdays!

Gala Co-Chairs

Dear friends:

Mark your calendars and commit to support the 38th Long Beach Cancer League's Gala "*A Diamond Jubilee*", a Centennial Celebration of the American Cancer Society. Our gala is one of the most important and visible events of the year in the Greater Long Beach Area.

Together, the Long Beach Cancer League, the American Cancer Society and our generous sponsors have made a significant difference in the fight against cancer. In a time of historic change to health care and as we face an uncertain future, the American Cancer Society remains steady in funding life-saving cancer research, finding cures, and serving those

whose lives have been completely turned upside down by the most dreaded disease of our century.

Please join us in the fight against cancer by supporting our distinguished gala. Please take a few moments to complete the enclosed Sponsorship Pledge. Our outstanding sponsorship chair, Janet Foley, a two-time cancer survivor and League member of 20 years, will be happy to ensure your most deserved recognition on the gala website, print collateral materials, news releases and throughout the evening of the gala.

We promise you an evening of elegance and excitement, and look forward to rejoicing in the birthdays cancer survivors worldwide have been able to celebrate thanks to the Society's life-saving work.

We look forward to welcoming you as a Sponsor of the Cancer League's **38**th gala, **"A Diamond Jubilee"**, while we celebrate the centennial of the ACS and make history in our fight against cancer. Cheers to many more Birthdays!

A world with less cancer is a world with more birthdays.

We **save lives** and create more birthdays by helping you stay well, helping you get well, by finding cures, and by fighting back.
